3-on-3 Basketball Rules:

We will start with the youngest division and work up in age with girls always going first. All round 1 games will be played in every division and then we will move into round 2.

GAME LENGTH - 12 minutes running clock or 21 points. Must win by 2 points, unless game is called because of time. At that point whoever is ahead wins. If the game is tied, the next point(s) scored determines the winner.

FORFEITS - You will have 5 minutes to get your team there from when you are announced - otherwise you forfeit the game! Watch the brackets!

SCORING (No Free Throws)

-2 points for each basket made. (3 points for a made basket, if fouled in the act of shooting)

-3 points for baskets made from beyond the 3-point arc. (4 points if made and fouled while shooting.)

-1 point and the ball back if fouled on a missed shot.

STARTING THE GAME - Referee will flip a coin to see which team gets the ball first.

CHECK THE BALL - You must be outside the 3-point arc; pass the ball to someone on the other team; and have them pass it back to you to put the ball in play. Check the ball anytime there is a dead ball situation.

HELD BALL (JUMP BALL) - Anytime a held ball (jump ball) situation is created, the ball will be awarded to the team on defense at that point.

TAKING THE BALL BACK - On any change of possession, including anytime the other team attempts a shot and misses (doesn't matter if they hit the rim or not), you must take the ball back out beyond the 3-point arc before you may attempt a shot of your own. If you don't, as soon as you shoot the ball (you cannot score), it becomes a dead ball and the other team gets it at the top of the key. - Check The Ball.

SUBSTITUTING - Sub in during dead ball times only.

FOULS - Non-shooting Foul: team fouled will get the ball outside the 3-point arc. - Check The Ball. Shooting Foul (See "Scoring" section above.)

REFEREES/COURT MONITORS: Referees will be calling violations based on current Indiana high school rules unless listed above as an exception to those rules. Refs will be keeping game time. If a game gets too rough, they have full authority to throw a player out, OR DISQUALIFY AN ENTIRE TEAM! Court Monitors will keep score.
